

Jodi Sheahan

CPM, BRANCH MANAGER- PHOENIX

Jodi has an understanding of the industry that can only be achieved through experience. She is highly respected as an industry leader and known for her expertise in marketing, technology, leadership training, and affordable housing. Jodi served both as a Marketing Director and a Vice President for a national management firm prior to starting MEB, and has taken an active leadership role in many industry associations and community service non-profits. She was a national instructor for the prestigious NAA Lyceum program and currently serves on the Arizona Housing, Inc. board. In 2013, Melanie, Libby and Jodi were the first recipients of the Governor's Women of Achievement Award.
